IDC MarketScape: Worldwide General-Purpose Computer Vision AI Software Platforms, 2022

We've got great news to share!

Clarifai named a Leader in IDC MarketScape: Worldwide General-Purpose Computer Vision AI Software Platforms 2022.

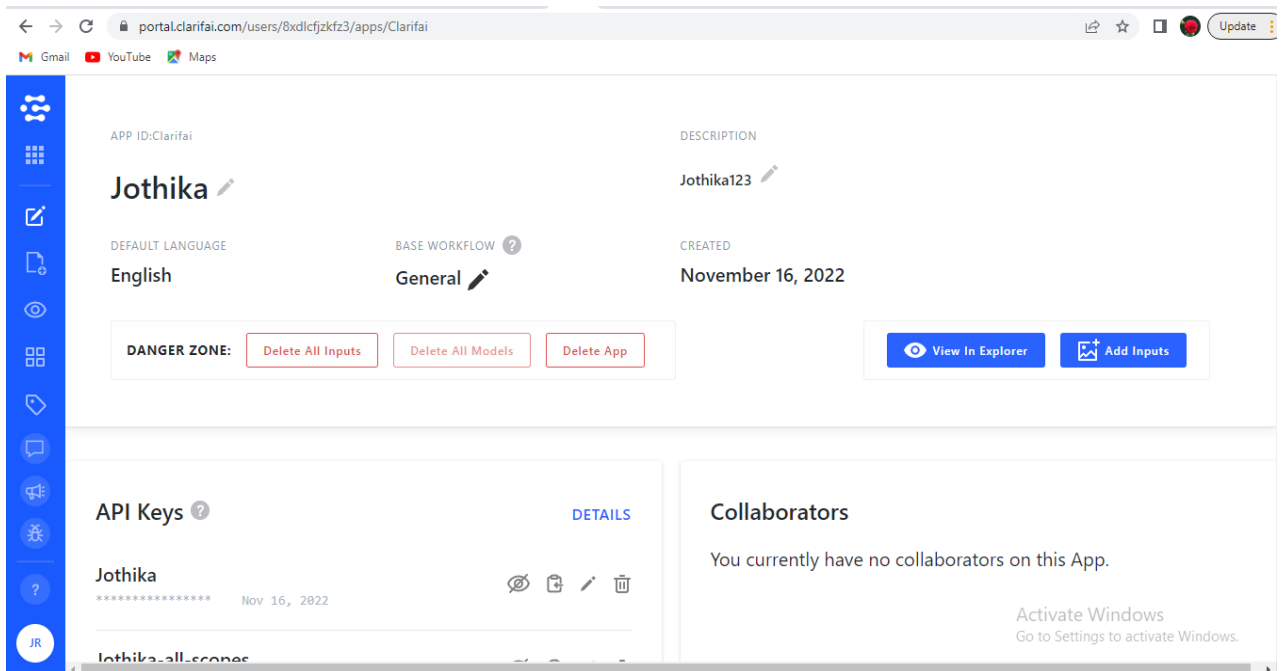

Activate Windows
Go to Settings to activate Windows

Step: 2

The screenshot shows the Clarifai portal interface. At the top, there's a navigation bar with a "CREATE APPLICATION" button and a menu icon. Below this, the main heading is "Applications 2". To the right of the heading is a search bar labeled "Search by name...". Below the heading, there are two application cards. The first card is for an application named "Jothika" with ID "Clarifai" and a creation date of "November 16, 2022". The second card is for an application named "my-first-application" with ID "3b9c365ff1c44d9b9fc2cbec47831ca2" and a creation date of "November 16, 2022". Both cards feature a blue square icon with a white camera and film strip symbol. On the left side, there is a vertical blue sidebar with various icons and a user profile icon labeled "JR". At the bottom right, there is a "Activate Windows" watermark.

Step: 3

The screenshot shows the details page for the "Jothika" application. The top section displays the application name "Jothika" with an edit icon, the description "Jothika123" with an edit icon, the default language "English", the base workflow "General" with an edit icon, and the creation date "November 16, 2022". Below this, there is a "DANGER ZONE" section with three buttons: "Delete All Inputs", "Delete All Models", and "Delete App". To the right of these buttons are two buttons: "View In Explorer" and "Add Inputs". Below the "DANGER ZONE" section, there are two main sections: "API Keys" and "Collaborators". The "API Keys" section shows a table with one key named "Jothika" with a masked value "*****" and a creation date of "Nov 16, 2022". The "Collaborators" section states "You currently have no collaborators on this App." At the bottom right, there is a "Activate Windows" watermark.
